The State may elect to terminate a contract immediately with a Contractor who is subsequently determined to be subject to such restrictions without liability to the State. If the State elects to terminate a contract for this reason, the State will supersede paragraph #12 in Attachment A - Standard Terms and Conditions and will not provide 30 day prior notice to the Contractor.
8. **LIQUIDATED DAMAGES:** Contractor shall be penalized for causing any delay in setting up or placing traffic control. If the traffic control is not in place by the time specified by the State, Contractor shall be assessed \$500.00 for each half hour over the time specified.
